REPORT ON MISSIONS

Your Committee on Missions report the following:—Our Mission in this world is a continuation of Christ's Mission. The Lord said "As the Father hath sent me, even so send I you" Therefore to obey our Lord we must be a Missionary in spirit and in truth

Jesus committed the work to us, of carrying the Gospel to all the world.

The year has been one of continued prosperity and advancement. Our Foreign Missions include, China, Japan, Africa, Italy, Mexico, Brazil and Argentina.

Our Southern Baptists expended $402.328 16 on this field last year. The work is reported as being in a hopeful condition: there have been 20,174 Baptized; there are 229 Churches, with 467 Out Stations. Besides we have 128 day Schools with an enrolement of 3 194 pupils and 3,800 patients were treated last year, by our Medical Missionaries. We have been making healthful progress, the Board received for its work the sum of $265 895 14 an increase of $33 501 65 over last year. But the Board closed the year with a debt of $22 000 .

The number of Missionaries in the home field is 919 and these Missionaries Baptized 220,404 and received

by letter into the church 118,015 making a total of 338,419. There are 24 Mission Schools with 732 teachers, with an enrollment of 50,117 students, 82 of them are preparing for the Ministry These Schools have a propery valuation of $345.000.

Our State Missions were enjoying great prosperity until the money panic. The storm conditions made also heavy drafts on our income in the State. With the loss of 4 houses of worship, 4 in part and one totally. We would recommend that every Pastor educate and develop his church on this the greatest of all questions, in giving of their money and praying for the success of this work.

Report on Ministerial Education and Mississippi College.

This report was read by Bro. R A. Cooper.

REPORT ON MISSISSIPPI COLLEGE AND MINISTERIAL EDUCATION.

It a marvel to some why we Baptists have made so much of Mississippi College. To them it is "a child of Providences." In the early history of our country, our fathers were projecting small and short lived schools here and there, but there was in the state no institution for higher Education. Even our State University was not born.

While our fathers were casting about in their minds as to how and where to project such an institution, the Presbyterians were compelled for want of means, to forfeit their Academy.

This plant thus surrendered was secured by the Baptists and became the foundation, on which Mississippi College was built.

The great civil strife of the sixties, swept away all the moneyed values of the College, but left on it a large number of Scholarships, with absolutely no endorsement, these scholarships absorbed what little tuition an impoverished people was disposed to pay. The College therefore was soon overwhelmed with debt. The lamented but consecrated E. C. Eager was employed to collect the funds, and lift the debt. His salary was $1.700. He raised $2.100. The debt increased rather than decreased.

The eloquent A. A. Lomax was next put in the field as Financial Agent of the College. With all his gifts of oratory he failed to raise his salary and resigned before the end of the year. At this junction, the blunt but consecrated Professor of Mathematics, M. T. Martin,

volunteered his services to raise the debt without salary.

In some six month actual time on the field, as agent, he lifted the entire debt of some $12.000 and made the denomination a present of all oustanding mortgages.

But these scholarships issued before the war were still on the institution: therefore, there was nothing left us but to repeat the dark and distressing history of "DEBT." To avert this M. T. Martin next sought to secure for the College their scholarships. By the aid of the Godly J. A. Hacket, the last one of these scholarships was secured as a gift to the denomination. Then began the Colleges long and upward march of prosperity.

Last year $70.000 was expended on improvements. 460 students were enrolled, 62 of whom were Ministerial. The Board of Trustees report to the State Convention that during the last session one of our Professors was offered another position with an increase of $550. more salary than we were paying him. He refused the offer. This reminds us of the happy days, when the above mentioned, M. T Martin, the prodegy of Mathematics, and B. H. Whitfield, the wizard of rocks, were offered such increases of salary but remained true to the denomination. The President, W. T. Lowrey, has frequently rejected such offers. Such loyalty to our denomination ought to inspire our confidence in our College. Let us show such confidence first, by contributing to its needs when they appear; second, by sending our boys there, that they may not only be drilled in books, but catch the same spirit of loyalty to truth.

As stated before there were 62 Ministerial students at the College last year.

Let it be remembered that these are not men to be made preachers out of, but preachers whom we trust that God has called. If at any time our College or Ministerial Board has been imposed upon it is rather our fault than theirs.

Young men are strangers when they reach Clinton and are accepted on our recommendations. Your committee would urge, First: That the brethren all over the Association pray the Lord of the harvest, that He send laborers into His harvest; Second, that they be careful whom they recommend to the work of the Ministry. Lay hand suddenly on no man; Third, When a young brother with scriptural qualifications presents himself, however humble his birth, or worldly attainments, encourage him on every hand, and see that, as far as in you lies, he is brought on his journey of Ministerial Education.

Cypress Creek church through Bro. W. C. Wood applied to us for help to build a new church, which on motion was granted, and the State Board was asked to help them to the amount of $25.00. Bro. I. M. Gray requested endorsement of the Board to do Colportage work in this Association without remuneration which was granted. Soon after this Bro. Gray died and went to his reward, where we believe he received that welcome pladuit, "Well done thou good and faithful servant."

Your Com. { J. B. GAULDING, V. B. TUCKER.

Discussed by J. B. Gaulding and W. L. Souter, and on motion of Bro. W. L. Souter the report was adopted

Report on Sunday Schools as read Bro. John T. Short.

REPORT ON THE SUNDAY SCHOOL WORK

As we have had considerable experience in the work I will give you some thoughts on the subject.

The great need of a live Sunday School is the lack of interest on the part of the parents of the children. How can we expect our children to go to Sunday School unless the parents go with them, and how can the child learn the Bible unless the parent teaches them. It has been urged to hold Sunday School Institutes. My idea is this, that the pastor of each church visit such parents and talk to them in their home, and show them the importance of them and their children going to Sunday School.

I make this suggestion for this reason. You may have your Sunday School man to hold a Sunday School Convention or Institute and half the parents wont go out to hear him. So you see you can't reach all that need to be reached.

Respectfully submitted,

J. T. SHORT.

Discussed by Brethren J. T. Short, J. B. Gaulding and R. A. Cooper and on motion of Bro. W. L. Souter the report was adopted.

Time for adjournment.

THIRD DAY—MORNING SESSION

Prayer by Bro. J. L. Calfee.

The minutes of 2nd day read and approved.

On motion of Bro. J. B. Gaulding all speeches of to-day were limited to five minutes each except on the report on Prohibition.

Report on Woman's Work, read by Bro. J. H. Dodds.

REPORT ON WOMAN'S WORK.

A few years ago the Association saw a work that the sisters of our churches could do which would greatly advance certain work for the Masters kingdom, and this work is knowna s "Woman's Work." Any one at all familiar with the history of Womans Work can readily recognize that it has long since passed through the experimental stage and has established its self as a permanent and necessary force in all our work both general and local.

And we also know that in our churches, where they are really carrying out the spirit and purpose of the organization, they are examples of zeal, and exemplify the wisdom and necessity of organization along special lines. Through their Missionary literature department they are distributing tracts and leaflets throughout the territory. This part of their work is proving to be a mighty power for good. Their work for the Missionaries where they are ill-paid, in securing and sending boxes containing articles that are indispensable, and

their contributions last year was over $21.000 and they gave great aid to the children in our Orphans Home, by sending boxes, containg food and clothing for the destitute ones, and in Hospitals, they are ever ready with a helping hand, and in the Old Soldiers Home we find them there, helping the old and helpless soldiers. In fact we find woman at the head of allmost all church work and in all charity and benevolent institutions. May the Lord bless Womans Work in all the world.

Respectfully Submitted. { JOE H. DODDS, E. J. GRISHAM.

Discussed by brethren J. H. Dodds, N. J. Weaver, R. A. Cooper and J. B. Gaulding, and on motion of Bro. J. A. Vaughn was adopted.

Report on State of Religion, read by Bro J. S. Hale.

REPORT ON STATE OF RELIGION

Since hearing read the letters from our many churches and the work and report of the Baptist State Convention, which convened at Meridian, we believe the State Religien progressive and getting on a higher plane of thought and work.

During our protracted series of meetings there has been greater and graner work accomplished than previous years, for which we feel great and thankful.

Report on Documents and Publications as read by Bro. Elliott Black.

DOCUMENTS AND PUBLICATIONS.

We are now living in an age in which cheap literature has gained special notoriety. Most of this literary rot is put up in a most glaring way to attract the youthful curiosity. All the reading matter that is, and has been so detrimental to our young people, comes to us in the form of story papers and "Yellow back" novels, whose very existence seems to depend on delving into the very hot-beds of wickedness and crime. We, as Baptist people, should see to it that our children have access to none of this. We believe that every parent should provide his, or her child, with a testament as soon as the child is able to read. "Train up a child in the way it should go." If we see that the child forms the habit of reading the Bible while young, the probability is that it will hold the Bible in preference to any other reading matter all during life.

We suggest that all pastors look carefully after the kind of literature that their people read. We also sug-

gest that they urge them to take the very best papers on Baptist doctrine that are published within, or without the State. We recommend the Foreign Mission Journal, and Our Home Field as indispensable equipments to intelligent mission work to-day. Our magnificent Sunday School periodicals should be a part of the armour of every church. The Orphanage Gem, breathing love and sympathy for our little ones, should find a place in our homes. Our State paper, the Baptist Record, which stands solidly for all that goes to make our churches and homes and lives what the Master would have them be, should be in all the 20,000 homes of the 125,000 Baptists in the State. We further recommend that our pastors urge their people to put the above literature on their reading tables in their homes, and that they urge the use of the literature of the Southern Baptist Convention Board in our Sunday Schools.

Respectfully,

Com. { T. A. J. BEASLEY,

Discussed by Bro. Elliott Black, T. A. J. Beasley, R. A. Cooper, J. B. Gaulding, C. W. Smith, N. J. Weaver, A. C. Acres, J. A. Baker and W. J Ball and on motion of Bro. W. L. Souter was adopted.

Report on Baptist Orphanage, read by Bro B. F. Leavell.

REPORT ON THE ORPHANS HOME.

The last year has been the most prosperous year of the Home. The year previous to this, there were one hundred and thirty-five children in the Home. There were brought into the home this year, forty-seven children; returned to theis mothers and near relatives, sixteen. There were two adopted. Three have been sent out to make a living for themselves. Four infants have been placed in childless homes. We have in the home now, one hundred and sixty-one children. Twen-

ty-three of these are babies and there is room for as many more.

One has died during the year; nineteen have made a profession of religion.

Under the care of Bro. Carter and his assistants the children are developed, Physically, Mentally and Morally and are trained to make useful citizens.

Let us pray and work for our home.

Submitted,

B. F. LEAVELL.

A public collection was taken for the Baptist Orphanage by the Moderator. Amount collected $31.00. Prayer by Bro. C. W. Smith for the Orphanage and its management. On motion the report was adopted.

REPORT ON SUSTENTATION.

Your committee on Sustentation beg leave to submit the following report. This is an obligation that is established and fostered by the Chickasaw Association. Brethren we urge every one to help support this institution, by so doing we will glorify God and others will glorify Him too.

This is a grand cause and should be surported by God's children. This is to support old worn-out Servants of God, and when they receive this, they will be made to gloryfy God, so we ought to strive to do all we can to build up God's cause.

God said, "Let your light shine," and when we do our duties, we let our light shine.

Brethren, we pray God to impress on the minds and hearts of His children to do their duty, and we pray God that He will cause His children to realize the great responsibility that rests on them. So pray for us that we may do more for God.

Respectfully submitted

Report on Obituaries, read by Bro. W. L. Souter.

REPORT ON OBITUARIES.

Brethren, your Committee learns from the letters from the different churches, that during the last Associational year, thirty-five of our members have died. Among the number of dead is, Bro. I. M. Gray, a faithful, earnest, and successful Minister, and former Moderator of this body. Now Brethren let us learn from these facts how fast we are passing away, and let us close up the ranks and blight sin in any and every form.

W. L. SOUTER.

Discussed by Bro. W. L. Souter and on motion of Bro. J A. Vaughn was adopted.

Report on Prohibition, read by Bro. N. J. Weaver.

REPORT ON PROHIBITION.

Dear Brothren, we your Committee on Prohibition beg leave to make the following report: We say that strong drink of all kinds, such as Alchohol and Whiskey of all grades, beverages and fermented wines, Cocaine, or any other drink that will destroy the body, mind and even the soul in hell, is violating the command of God. God is too good to look upon these sins with an allowance, therefore what God forbids man doing, he had better not do.

The present temperance upheavel is the revolt of the American People against what they consider to be wrong.

Aside from the danger of the busines and the violation of the law there are thousands who die drunkards and are lost in hell, and their wives left with their children to suffer with the finger of scorn to be pointed at them; and not this only, but when the saloon keeper

dies he leaves a rich wife and children to feast off the earnings of the poor drunken wretches just earnings. Now we believe that all such is a sin against God, and should be stopped, and we recommend that all the Congressmen and Senators put forth every effort to stop the Jug trade, which carries whiskey and other strong drinks into the prohibition states. This is why the present laws do not prohibit. This land needs the strictest enforcement of the laws. The Bailiffs, Sheriffs, and all officers of such power should be forced to carry the law in ther hearts and enforce the same wherein violated.

While this just cause is being talked down by the few; we say that the great cause is growing stronger every day. The three great States, Alabama, Georgia and Mississippi, and every strong effort made in other states, to down the cause of whiskey, this means that God is going to be honored and glorified and His kingdom made stronger by the downfall of the whiskey traffic. While the curse of whiskey is weakening, the great prohibition cause is strengthened, and we hope and pray that the United States will soon become prohibition.

Resolved: That the rincere thanks of this Association be and are hereby tendered to this Church and community for their kindnes and hospitality to us during our stay among them.

On motion this Resolution was adopted by a rising vote.

On motion of Bro. T. A. J. Beasley the Association was adjourned to meet with Myrtle Baptist Church on Tuesday before the 3rd Sunday in September 1909.

A very interesting talk by Bro.C. W. Smith, the Moderator, in which he told of the many happy and sad hours spent just up on top of the hill above the church, as this was his old home. It was there where the Lord made him to know that he must preach His word to lost man and woman and admonished the young men to live noble lives, and a benediction on the brethren, and appealed to the brethren for their prayers in his lonely hours, and expressed his hope to meet some day with all the brethren, friends and loved ones in that home where there will be no more sorrows and no more sad goodbyes. At the suggestion of Bro. W. L. Souter, engaged in the usual shaking of hands and bidding each other goodbye while the congregation sang, "How Firm A Foundation." Prayer by Bro. W. L. Souter. Dismissed by Bro. C. W. Smith.

Abstract of Principles

I.—Of The Scriptures.

We believe that the Holy Bible was written by men divinely inspired and is a perfect treasure of Heavenly instruction, that it has God for its Author, Salvation for

its end, and truth without any mixture of error for its matter; that it reveals the principles by which God will judge us, and therefore, is and shall remain to the end of the world, the center of Chistian union and the Supreme standard by which all human conducts, creeds, and opinions should be tried.

II.—Of The True God.

That there is one, and only one true and living God, whose name is Jehovah, the Maker, and Supreme Ruler of Heaven and earth, inexpressibly glorious in holiness, worthy of all possible honor, confidence, and love, revealed under the personal and relative distinction of the Father, the Son, and the Holy Ghost, equal in every divine perfection, and executing distinct but harmonious offices in the great work of redemption.

III.—Of The Fall of Man.

That man was created in the state of holiness, under the law of his Maker, but by voluntary transgression fell from that holy and happy state, in consequence of which all mankind are now sinners, not by constraint, but by choice, being by nature utterly void of that holiness required by the law of God, wholly given to the gratification of the world, of satin, and of their own sinful passions, and therefore under just condemnation to eternal ruin, without defense or excuse.

IV.—Of The Way of Salvation.

That the salvation of sinners is wholly of grace, through the mediatorial offices of the Son of God, who took upon Him our nature, yet without sin; honored the law by His personal obedience, and made atonement for our sins by His death; being risen from the dead is now enthroned in Heaven, and uniting in His wonderful person the tenderest sympathies; with divine perfection is every way qualified to be a suitable, a compassionate and all-sufficient Savior.

V.—Of Justification.

That the great gospel blessings which Christ of his

fullness bestows on such as believe in Him is justification; that justification consists in the pardoning of sin and the promise of eternal life on principles of righteousness, that it is bestowed, not in consideration of any works of righteousness which we have done, but solely through His own redemption and righteousness; that it brings us into a state of most blessed peace and favor with God and secures every other blessing needful for time and eternity.

VI.—Of The Freeness of Salvation.

That the blessings of Salvation are made free to all by the gospel; that it is the immediate duty of all to accept them by a cordial and obedient faith, and that nothing prevents the salvation of the greatest sinner on earth except his own voluntary refusal to submit to the Lord Jesus Christ, which refusal will subject him to aggravated condemnation.

VII.—Of Grace in Regeneration.

That in order to be saved, we must be regenerated, or born again; that regeneration consists in giving a holy disposition to the mind, and is affected in a manner above our comprehension or calculation by the power of the Holy Spirit, so as to secure our voluntary obedience to the gospel and that its proper evidence is found in the holy fruit which we bring forth to the glory of God.

VIII.—Of Gods Purpose of Grace.

That election is the gracious purpose of God, according to which he regenerates, sanctifies and saves sinners; that being perfectly consistent with the free agency of man it comprehends all the means in connection with the end; that it is a most glorious display of Gods soverign goodness, being infinately wise, holy and unchangeable; that it uttely excludes boasting and promotes humility, prayer, praise, trust in God, and active imitation of His free mercy; that it encourages the use of means in the highest degree; that it is ascertained

by its effects in all who believe the gospel; is the foundation of christian assurance, and that to ascertain it with regard to ourselves demands and deserves our utmost diligence.

IX.—Of The Preservance of Saints.

That such only are real believers as endure unto the end; that their preserving attachment to Christ is the grand mark which distinguishes them from superficial professors; that a special providence watches over their welfare, and that they are kept by the power of God through faith unto salvation.

X.—Harmony of The Law and Gospel.

That the Law of God is the eternal and unchangeable rule of His moral government; that it is holy, just, and good; and that the inability, which the scriptures ascribe to fallen men to fulfill its precepts, arise entirely from their love of sin, to deliver them from which and to restore them through a Mediator, to unfeigned obedience, to the holy law, is one great end of the gospel and of the means of grace connected with the establishment of this visible church.

XI.—Of a Gospel Church.

That a visible church of Christ is a congregation of babtized believers associated by covenant in the faith and fellowship of the gospel, observing the ordinances of Christ,governed by His laws and exercising the gifts, rights, and privileges invested in them by His word; that its only proper officers are Bishops or Pastors, and Deacons, whose qualification, claims and duties are defined in the Epistles of Timothy and Titus.

XII.—Of Baptism and the Lord's Supper.

That christian batpism is the immersion of a believer in water, in the name of the Father, Son, and Spirit to show forth in a solemn and beautiful emblem, our faith in a crucified, buried, and risen Saviour, with purifying power; that it is pre-requisite to the privilege of a church relation, and to the Lord's Supper, in

which the members of the church by the use of the bread and wine, are to commemorate together the dying love of Christ preceded always by solemn self-examination.

XIII —Of The Christian Sabbath.

That the first day of the week is the Lord's day, or the Christian Sabbath, and is to be kept sacred to religious purposes by abstaining from all secular labor and recreation, by the devout observance of all the means of grace, both private and public, and by preparation for the rest which remaineth for the people of God.

XIV.—Of Civil Government.

That civil government is of a divine appointment for the interest and good order of human society, and that Magistrates are to be prayed for, concientiously honored and obeyed, except in things opposed to the will of our Lord Jesus Christ who is the only Lord of the concience and the prince of the Kings of the earth.

XV.– Of The Righteous and The Wicked.

That there is a radical and essential difference between the righteous and the wicked; that such only as through faith are justified in the name of the Lord Jesus, and sanctified by the spirit of our God are truly righteous in His esteem, while all such as continue in impenitence and unbelief are in His sight wicked and under the curse; and this distinction holds among men both in and after death.

XVI.—Of The World to Come.

That the end of this world is approaching; that at the last day Christ will descend from Heaven and raise the dead from the grave to final retribution, that a solemn separation will then take place; that the wicked will be adjudged to endless punishment and the righteous to endless joy, and that this judgment will fix forever the final state of men in heaven or hell on principles of righteousness.
